Ben Smith, College of Education

Dr. Kristi Shryock, College of Engineering

Coffee Conversations to follow on Friday, February 22, 2:00-4:00
in the ITS training classroom (004 Heldenfels Hall)

Digitally Enhanced Classrooms

Friday, April 26, 11:30-1:00 – Rudder Tower 601

The Teaching with Technology Lunch Series will consist of presentations and discussions from faculty, administration, and staff on campus focusing on student success initiatives. Lunch will be provided for registered attendees.

Coffee Conversations are also scheduled shortly after each dialogue so interested parties can continue discussing the topics with like-minded colleagues.

Watch your email inbox and visit its.tamu.edu/lunch-series for the latest developments and registration as more information becomes available.
